

# EDWARD M. KOSOWSKI COMPOSER

Edward M. Kosowski is a guitarist, composer, producer, and studio musician, as well as a former composer for the Omnimusic music library.

His licensed works have been used across the United States and internationally, with placements in countries including Australia, Belgium, the United Kingdom, Canada, Colombia, Denmark, Finland, France, Germany, Greece, Hong Kong (China), Ireland, Israel, Japan, Mexico, the Netherlands, Norway, Poland, Portugal, Singapore, South Africa, Spain, Sweden and Switzerland.

With his six new releases, Edward M. Kosowski's music spans an eclectic range of genres and emotional landscapes. Drawing from a broad spectrum of influences, his compositions explore rock, metal, new age, world music, orchestral arrangements, immersive soundscapes, urban rhythms—fusing synthesized textures with raw emotion and cinematic depth.
